Priorities:

- High (must have) * * *
- Medium (nice to have) * *
- Low (unlikely to have) *

Priority	As a ...	I want to ...	So that I can...
***	Student	I want to see my friends' location	So that I can organize meetings for group projects
***	Professor	I want to see my students' location	So that I can decide on whether to wait for students late for class
***	Student	I want to be able to chat with my friends	So that we can decide on project meetings and consultation
***	Professor / Tutor	I want to contact students or tutors/profs on the campus	So that I can tell them urgent information
***	Student	I want to board the bus on time	So that I won't be late for lecture.
***	Student	I want to contact the professors	So that I can ask them urgent questions
**	Tutor	I want to chat with my students	So that I can know the reason why students is not coming to class
**	Tutor	I want to know my students' location	So that I can decide on whether to wait for students late for class
*	Toilet cleaner	I want to know whether the toilet is	So that I can start cleaning the toilet
*	Bus	I want to give my location information to students	So that students can decide whether they will take the bus
